

The Holt Family purchased the Reservation Restaurant in 1985. We have over 30 years of experience in the food service industry. We are pleased to serve our community, not only by hosting dinner meetings for local clubs, but also in supporting our local first responders,

school corporation and athletic teams - the Milan Indians. It is a privilege to be a business owner in the community that we all call home. We thank you for visiting our restaurant and hope that you found your visit to be warm, welcoming and inviting.
